Not only are we providing great local entertainment for our audiences, we provide an unforgettable experience for the many actors, actresses, and stage crews who have been a part of thousands of performances for 85+ years.

Community theater allows the actors to dig deep and express parts of themselves, with which they might not be familiar, to make you, our audience, laugh, cry, remember, think, or learn.

Community theater allows young adults to test their wings, learn more about themselves, increase their confidence, take risks, and grow in a safe place.

We at Players Workshop passionately believe in the joy and experience of live theater. Our hope is that, in supporting us, we will all rub shoulders, figuratively hold hands for a moment, and have our lives enriched.

Players Workshop is a 501(c)(3) nonprofit
charitable organization. All donors will receive a thank
you letter verifying their contribution.

Community

Community is the most important
part of Community Theatre.
Everything we do is made possible
because of community involvement
and support.

When you give to Players
Workshop, you are giving back to
the community as a whole. We
make many purchases locally, such
as concession supplies, props, set
pieces, and printing services.

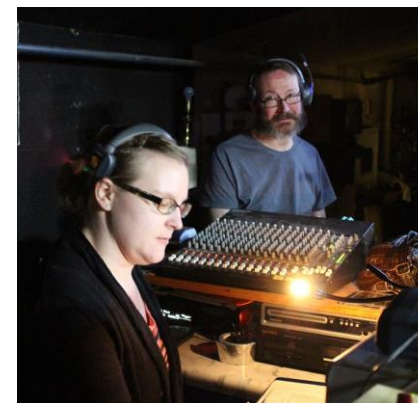

Throughout the year we support
other local causes in numerous
ways.

Because of your generous donation,
Players Workshop will be able to continue
bringing you the quality dramas,
comedies, and musicals that you love. We
will also be able to maintain our facilities
and expand our programs.

With your permission, your gift will be
recognized in our newsletter, in our
program, and on our website.

Many employers offer a matching gift
program that could potentially double your
gift to Players Workshop. Check with your
employer's HR department to see if your
donation qualifies for a matching gift.
